**REQUEST FOR RECONSIDERATION/PETITION**

1. Applicant hereby requests reconsideration, and withdrawal, of the holding of abandonment set forth in the notice dated October 29, 2008, for failure to file a proper response under 37 C.F.R. 1.113(a) to the final Office Action dated March 21, 2008. The request is being filed promptly after receipt of such notice and Applicant and the undersigned submit that this notice is erroneous and improper.

**PROPER RESPONSE TO FINAL OFFICE ACTION WAS TIMELY SUBMITTED**

2. Further to a decision to appeal the final rejections of the Examiner, a Notice of Appeal was submitted in response to the outstanding final office action. It was mailed to the U.S. Patent & Trademark Office, along with the appropriate transmittal form and a petition for extension form, on September 22, 2008. September 21, 2008, the final date for response to the final office action fell on a Sunday, therefore, the documents were filed on the following Monday, September 22, 2008. A copy of the Notice of Appeal, as mailed, is attached (*Exhibit A*). A stamped return postcard (*Exhibit B*), acknowledging receipt by the Patent Office is also attached. Also, a review of the U.S. Patent & Trademark Office's PAIR Image File Wrapper reveals that the above documents were scanned by the PTO personnel. In addition, the Patent Office charged the notice of appeal fee (\$255) and the extension fee (for three months) for a small entity (\$525) to Deposit Account No. 50-1636 (copy attached, *Exhibit C*). Therefore, these submissions were accepted by the PTO and constitute a proper reply to the final office action, yet the Examiner has issued a notice of improper reply, thereby abandoning the case. The undersigned questions why the Examiner indicates that the submission of this notice of appeal and related documents is an improper reply and does not believe that a fee or petition for Revival is necessary. If a Petition for Revival under 1.137(b) is required, please advise the undersigned with the relevant reasons and then consider this a petition therefor.

**FEE**

3. Applicant believes that no fee is necessary at this time. However, if any fees are associated with this request, the Commissioner is authorized to charge the necessary amount from our Deposit Account No. **50-1636**. Should any of the personnel handling this matter at the U.S. Patent & Trademark Office have any questions about this submission, he or she is invited to contact the undersigned immediately to expedite

resolution thereof. Immediate consideration of this document is respectfully requested.

Respectfully submitted,

BERRY & ASSOCIATES P.C.
